Frank Crespo

VP & Chief Procurement Officer Global Supply Network Division

Frank Crespo is Vice President and Chief Procurement Officer for Caterpillar Inc. He is responsible for leading Caterpillar's procurement and logistics functions, ensuring a lean and responsive global supply network for products, parts and services delivered to Caterpillar facilities and the company's dealer network.

Frank joined Caterpillar in August 2010 from Honeywell International, Inc. where he was Vice President and Chief Procurement Officer responsible for setting strategic direction, developing and managing the supplier base, driving supplier alliance relationships, and building and delivering people excellence within the organization.

Frank is a native of Pittsburg, California. He received a Bachelor's of Science Degree in Engineering from the United States Naval Academy and an MBA from Harvard Business School. He brings more than 20 years of high-tech industry and military procurement and business experience to Caterpillar.

Frank serves on the Board of Directors for the Proctor Health Care Foundation and the Methodist Medical Center of Illinois. He serves on the National Advisory Council and the Supply Chain Advisory Council for the Marriott School of Business at Brigham Young University. He is also a member of the External Advisory Board for SCM World.

About Caterpillar: For more than 85 years, Caterpillar Inc. has been making sustainable progress possible and driving positive change on every continent. With 2011 sales and revenues of \$60 billion, Caterpillar is the world's leading manufacturer of construction and mining equipment, diesel and natural gas engines, industrial gas turbines and diesel-electric locomotives. The company also is a leading services provider through Caterpillar Financial Services, Caterpillar Remanufacturing Services and Progress Rail Services.
