SPECIAL WARRANTY DEED
(Corporation) (Non-Freeway)

VRG Properties Company, a corporation organized and existing under and by virtue of the laws of the State of Delaware and duly authorized to do business under the Statutes of the

State of Illinois, (Grantor), for and in consideration of One Thousand and 00/100 Dollars

(\$1,000.00), receipt of which is hereby acknowledged, and pursuant to the authority given by

the Board of Directors of said corporation, conveys to the City of Peoria, (Grantee), all existing legal and equitable rights of Grantor and, without limitation, any after-acquired title in and to the following described real estate

.....
A part of Lot 20 in Block 2 of Darst' s Subdivision of Lot 5, being a part of the Northeast Quarter of Section 18, Township 8 North, Range 8 East of the Fourth Principal Meridian, Peoria County, Illinois, more particularly described as follows, and bearing refer to the Illinois State Plane Coordinate System West Zone, NAD 83-03:

Commencing at the Southeast Corner of said Lot 20 and the Westerly Right-of-Way Line of FAU Route 6954 (IL Rte. 8) (Western Ave.), said corner also being the Northernly Right-of-Way Line of Garden Street, said corner also being the Point of Beginning; thence along said Northernly Right-of-Way Line of Garden Street bearing South 89° 56' 55" West a distance of 25.00 feet; thence leaving said Northernly Right-of-Way Line bearing North 60° 45' 00" East a distance of 28.77 feet to said Westerly

Right-of-Way Line; thence along said Westerly Right-of-Way Line bearing South 00° 23' 51" West a distance of 14.03 feet to said Point of Beginning, consisting of 175.44 Square Feet (0.004 Acres), more or less.

situated in the County of Peoria, State of Illinois. The above-described real estate and improvements located thereon are herein referred to as the "premises."

Grantor covenants to Grantee, its successors and assigns that the premises are free and clear from any encumbrance made, done or suffered by Grantor and that it will forever warrant and defend the title to the premises against the lawful claims and demands of all persons or entities claiming or to claim the same by, through or under Grantor.

Grantor, without limiting the interest above granted and conveyed, acknowledges that upon payment of the agreed consideration, all claims arising out of the above acquisition have been settled, including without limitation, any diminution in value to any remaining property of the Grantor caused by the opening, improving and using the premises for highway purposes. This acknowledgment does not waive any claim for trespass or negligence against the Grantee or Grantee's agents which may cause damage to the Grantor's remaining property.

The Real Estate is conveyed subject to those items on Exhibit A.

The Grantor and Grantee further agree as follows:

1. No water wells shall be drilled or placed on the Real Estate (excluding monitoring, extraction and similar wells used for environmental testing, monitoring and/or remediation purposes).
2. The groundwater under the Real Estate shall not be used as a potable water supply. No person shall construct, install, maintain or utilize a potable water supply well. In accordance with Section 3.65 of the Environmental Protection Act ("Act"), as amended, "potable" means generally fit for human consumption in accordance with accepted water supply principles and practices.
3. For a period of twenty (20) years from and after the date of this Special Warranty Deed, the Real Estate shall not be used for the sale, storage or dispensing of gasoline or hydrocarbon products thereon or therefrom.
4. The property may be used solely for commercial and industrial uses including Municipal Right of Way.
5. Prior to commencement of any future excavation and/or construction in or near the contaminated zone of the remediation site, a safety plan for this remediation is required that is consistent with the National Institute for Occupational Safety and Health Guidance Manual for Hazardous Waste Site Activities; Occupational Safety and Health Administration regulations; particularly in 29 CFR 1910 and 1926; state and local regulations; and other U.S. EPA guidance as provided. At a minimum, the plan should address possible worker exposure if any future excavation and construction activities occur within any contaminated soil.

6. Any existing and potential buildings must have a concrete slab on grade or basement with concrete floor and walls.

These use restrictions are covenants running with the land and shall be binding upon Grantee and all successor owners of all or any part of the Real Estate, their tenants, and all other persons having any right, title or interest in or to the Real Estate.
