Hearns Landscaping	43	55	54	152	2

After Jimax was rated the highest proposal, a discussion occurred to see if some efficiencies could be achieved in the current contract. They were able to add the following rates: \$41.00 for a work order less than 3 units, \$46.00 for a lot that only requires mowing and trimming, \$39.00 for a winter work order that doesn't require mowing.
