State briefly why you wish to be considered for a city volunteer commission and what you would hope to accomplish if appointed As I begin Peoria Chamber of Commerce Community Leadership School in January 2017, my desire is to serve our community in areas of expertise or in which I have a particular passion. For the past nine years, I have worked to bring physicians and their families to the Peoria area. I feel that our community is a great place to work and play and hope to bring a voice to the table as someone who advocates daily for the city.

Would your service on a city commission be a conflict of interest for you?; No
