ACTION REQUESTED:

Communication from the City Manager and Director of Community Development with a Request to Concur with the Recommendation from the Planning & Zoning Commission and Staff to DENY a Request to REZONE Property from a Class C-G (General Commercial) District to a Class I-2 (Railroad/Warehouse Industrial) District for the Property Identified as Parcel Identification Nos. 18-03-332-028 (1023 NE ADAMS STREET), 18-03-332-029 (1025 NE ADAMS STREET), and 18-03-332-036 (1031 NE ADAMS STREET), Peoria Illinois. (Council District 1)

BACKGROUND:

Petitioner, John Pappas, is requesting to rezone the subject property from a Class C-G (General Commercial) to I-2 (Railroad/Warehouse Industrial). The subject property contains 0.67 acres of land and is currently developed with a single family residential structure, an accessory garage structure and vacant parcel. The property is surrounded by C-G (General Commercial) zoning to the south and across Morton Street to the north, I-2 (Railroad/Warehouse Industrial) zoning across Adams Street to the east, and R-6 (Multi-Family Residential) zoning to the west.

The Development Review Board recommends DENIAL of the request to rezone the subject property from a Class C-G (General Commercial) district to a Class I-2 (Railroad/Warehouse Industrial) district. Upon review the following conclusions are forwarded:

- 1) The current zoning of CG (General Commercial) does not deter, limit, or prevent the use or redevelopment of the properties.
- 2) The current zoning of C-G (General Commercial) is consistent with the Future Land Use designation of Mixed Use.
- 3) No other property within the same block as the subject parcels is currently zoned I-2 (Railroad/Warehouse Industrial).

The Planning & Zoning Commission found that the request did not meet the Findings of Fact and voted 6 to 0 to DENY the request to rezone the property.

See the attached Planning & Zoning Commission case packet and meeting minutes for detailed information regarding the requested rezoning.
