ACTION REQUESTED:

Communication from the City Manager and Public Works Director with a Request to APPROVE a STATE MOTOR FUEL TAX (MFT) RESOLUTION, in the Amount of \$534,750.00, for a Construction Engineering Services AGREEMENT with MAURER-STUTZ, INC. for the GLEN AVENUE IMPROVEMENT PROJECT from WAR MEMORIAL DRIVE to UNIVERSITY STREET. (Council District 4)

BACKGROUND: West Glen Avenue, from War Memorial Drive to North University, has deteriorated due to the high volume of traffic with trucks going between the two commercial sites. The Glen Avenue project will improve the existing roadway on a section between two high density commercial zones. Approximately 5,100 linear feet of roadway will be removed and reconstructed.

The attached Motor Fuel Tax (MFT) Resolution will fund construction engineering services, which will be provided by Maurer Stutz, Inc. under Master Services Agreement #18-369-L approved December 11, 2018 and 21-101-L approved April 13, 2021.

Attachments include the MFT Resolution and a project location map.

FINANCIAL IMPACT: Funding will come from State Motor Fuel Tax revenue. (MFT Section #19-00370-01-PV).
