ACTION REQUESTED:

Communication from the City Manager and Director of Public Works with a Request to ADOPT an ORDINANCE Amending the City of Peoria 2023 REVISED ANNUAL BUDGET, to Allocate \$75,000.00 from the Downtown TIF Fund for PAVEMENT SLURRY SEAL PROJECTS, for the Conversion of Reverse Diagonal Parking Spaces to Forward-Facing Diagonal Parking on FULTON STREET, from MONROE STREET to JEFFERSON AVENUE, and on MONROE STREET and MADISON AVENUE, from MAIN STREET to FULTON STREET. (Requires 2/3 Vote of Corporate Members Voting - No Less Than 6 Votes)

BACKGROUND: In 2015, the Public Works Department changed parking on Fulton Street, from Monroe to Jefferson, and on Monroe and Madison, from Main to Fulton from forward-facing parking to reverse diagonal parking (Item No. 15-323). During discussions for Budget Year 2023, the City Council expressed the desire to revert the parking to forward-facing. Staff has determined this can be accomplished via this amendment and the Operations Division staff, which are currently preparing the routes for the surface treatment, which is the first step in the overall process outlined below. The bid opening for the citywide slurry seal is 1 June. Accordingly, staff expects the conversion to be completed during the fall of this year.

Reverse Diagonal Parking conversion to forward-facing will require the following activities:

- Pavement patching by Public Works employees,
- Pavement Slurry Seal to improve the road surface and cover up the existing striping by a Contractor,
- Restriping by Public Works employees, and
- Turning the parking meters by Parking Enforcement employees (Police).

FINANCIAL IMPACT: The slurry seal will be part of this year's Pavement Preservation Project and will be paid for with Downtown Conservation TIF funds. No direct financial impact is expected from the parking change.

NEIGHBORHOOD CONCERNS: None expected from the parking change.

IMPACT IF APPROVED: Public Works will move forward with the project to restore forward-facing parking.

IMPACT IF DENIED: An alternative funding source will be required.

ALTERNATIVES: N/A

EEO CERTIFICATION NUMBER: N/A

WHICH OF THE GOALS IDENTIFIED IN THE COUNCIL'S 2017 - 2032 STRATEGIC PLAN DOES THIS RECOMMENDATION ADVANCE?

1. Safe Peoria
2. Financially Sound City
3. Grow Peoria

WHICH CRITICAL SUCCESS FACTOR(S) FROM THE COMPREHENSIVE PLAN DOES THIS RECOMMENDATION IMPLEMENT?

1. Invest in our infrastructure and transportation.
2. Have an efficient government.
3. Grow employers and jobs.
